Exemple : London

We are renting our lovely flat in the city center.

It is a two bedroom apartment with two bathrooms and seperate toilets.

One room has a double bed and the other two seperate beds. You will have big wardrobes in each rooms and a desk.

It is on the fourth floor but no worries, there is an elevator.

The living room is quite spacious with one big couch and big windows with a breathtaking view over Hyde Park.

The kitchen is modern and big enough to cook big meals.

The underground is only five minutes away and you will always have buses nearby.

As it is located in the city center, the streets can get quite noisy.

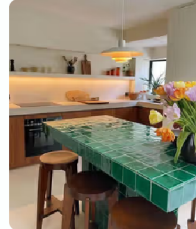

We have just installed air conditioning so no worries for the changes of temperature !

Thanks to the nearby public transports, you will be able to go to the Natural History Museum in only 6 minutes.

Picadilly Circus is only 3 minutes away from the flat !

You will also be surrounded by hundreds of restaurants from different cultures !!

Our flat is the best accommodation for a nice family weekend in the capital !

We are renting our amazing new york appartement. The appartement is very spacious, it is a loft, there are a lot of windows so it is very sunny. There is only one big bedroom but it is very comfortable. You have a big bathroom with a bathtub, an italian shower and a jacuzzi.

We have an open living/kitchen area with an enormous TV.

This appartement is very good for a young(rich) couple for valentines day for example...

NO ANIMALS OR CHILDREN ALLOWED, i don't want hairs everywhere.

It is located in Manhattan, if you like eating there are a lot of really good restaurants to try, american style.
